

Stone Festival 2022

Charitable and Commercial Stalls in Westbridge Park

Carnival Saturday – 18th June 2022

The arrangements for 2022 will be similar to those in previous years:

The entrance for stallholders will be the large field-gate directly in front of you as you turn off the Stafford Road onto the service road, near to the river bridge. Do not use the new junction by the M&S store.

We need to get the Park marked out on Saturday morning, so we ask that stallholders do not arrive before 10 am. You then have until 12 noon to get everything off-loaded, and any spare vehicles off the Park (there will be room for a car or small van to remain on each pitch) before the stand-still period commences at 12.

We hope to have the pedestrian entrance gates manned, and start letting the public in, from 12:00 - but the main rush will be at about 2 pm when the parade arrives at the Park.

Should it go quiet, you may wish to start packing up just before 5 pm - but you cannot bring vehicles to your stall, or move any already there, until the stand-still period ends at 5 pm.

Please note that you will only get to know which pitch you have been allocated when you arrive on Saturday morning. I'll have a plan showing where all the numbered pitches have been marked on the ground for each stallholder, and will point you in the right direction.

The pitches will have a frontage of about 5 metres, and be about 10 metres front to back. The pitch numbers indicate the front corner of each pitch. If for example you were to be allocated pitch number 25, your frontage will be between marker "25" and marker "26". If you were to be allocated the last pitch on a row (for example 35), your frontage would be between the "35" marker and a second marker (not between "34" and "35").

As stated on the booking form, if you have any helpers that need to come to you after the entrance gates are manned (12:00), they either need to have a pass-in, or will be asked to pay the very modest entry charge. See the booking forms for further details.

If anything changes, I'll send out details nearer the day.
